Mr, James Randall Smith:-

I am writing to you to Thank you, & your staff for all the hard work you guys did to get me Parole, you won't regret it.

I come from a good family, a hard working family, I just made some bad choices.

I have 2 beautiful children, & a loving wife, that need me to be the father, & Husband they deserve, also be the son my Father raised, to be a good honest man!!!

Again thank you, I will make this quick, I want to Parole to my Uncle at Home address

I know my family wants me to Parole to new jersey, for me rite now its best to Parole to midlands, to my Uncle. I have a job lined up with him already, I don't even need a car to get to work, I can walk there from the house its just down the block.

Plus my Uncle is almost 70 years old, he's here all by himself, he needs someone to be here with him. I know my Family wants me to go to new jersey, I would love to go back to all But later, Rite now midlands, and working for my uncle is the Best opportunity for me!!!

So please get with my uncle, to get all the paper work done, so I can parole to him.
