**CONGRATULATIONS!
YOU ARE COMING HOME!
The Texas Board of Pardons & Paroles
GRANTED You FI-5 Release to Parole**

Dear Ms. :

We have been monitoring your file following the voting process and were just informed you received an FI-5.

FI-5--Transfer to In-Prison Therapeutic Community Program. Release to aftercare component only after completion of IPTC program;

This is the chance you have been waiting for, so do not do anything which could cause you to lose it such as receiving a disciplinary action. Your release can easily be withdrawn. My staff and I worked very hard putting together your parole package and representing you before the Board. Do not mess up.

It is very difficult to convince the Board to release an inmate. Currently the percentage rate is less than 33% for the crime of, three Counts of Manufacturing and delivery of a controlled substance . I was able to convince the Board to grant your on my first appearance even though you received a 21 year sentence . Most inmates serve at least 80% to 90% of their sentence if not their entire sentence. Inmates with your charge rarely receives parole. Continue doing all you can to change, keep a good attitude and

remember the ultimate reward of going home. Remember, very few inmates are granted parole.

Once you are released to parole you must abide by all the stipulations and requirements placed upon you. Failure to do so exactly is like asking to be sent back to prison. Should that occur, the chances of receiving parole again are greatly diminished.

Thank you for allowing me the opportunity to assist you. I wish you the very best of luck. If I can be of any further assistance to you or should you have any questions, please do not hesitate to contact me.

Sincerely,

JAMES RANDALL SMITH
