**CONGRATULATIONS!
YOU ARE COMING HOME!
The Texas Board of Pardons & Paroles
GRANTED You CUFI Release to Parole**

Dear Mr.:

We have been monitoring your file following the voting process and were just informed you received an CUFI (06/2021)-Parole was approved under the current sentence but the offender is not eligible for release due to a consecutive sentence. The current sentence has ceased to operate in the offender has begun serving the subsequent sentence .

This is the chance you have been waiting for, so do not do anything which could cause you to lose it such as receiving a disciplinary action. Your release can easily be withdrawn. My staff and I worked very hard putting together your parole package and representing you before the Board. Do not mess up.

It is very difficult to convince the Board to release an inmate. Continue doing all you can to change, keep a good attitude and remember the ultimate reward of going home. Remember, very few inmates are granted parole.

Once you are released to parole you must abide by all the stipulations and requirements placed upon you. Failure to do so exactly is like asking to be sent pack to prison. Should that occur, the chances of receiving parole again are greatly diminished.

Thank you for allowing me the opportunity to assist you. I wish you the very best of luck. I will be ready to argue for of the stack sentence as soon as you become eligible.

Sincerely,

**JAMES RANDALL SMITH
