**CONGRATULATIONS!**  
**YOU ARE COMING HOME!**  
*The Texas Board of Pardons & Paroles*  
**GRANTED You FI-6 Release to Parole**

Dear Mr.:

We have been monitoring your file following the voting process and were just informed you received an FI-6

FI-6 R (–Transfer to a TDCJ rehabilitation program. Release to parole only after program completion and no earlier than six months from specified date. Such TDCJ program may include the Pre-Release Therapeutic Community (PRTC)

This is the chance you have been waiting for, so do not do anything which could cause you to lose it such as receiving a disciplinary action. Your release can easily be withdrawn. My staff and I worked very hard putting together your parole package and representing you before the Board. Do not mess up.

**It is very difficult to convince the Board to release an inmate especially will returning to prison with a DWI and you were previously convicted of intoxicated manslaughter with vehicle.**

Continue doing all you can to change, keep a good attitude and remember the ultimate reward of going home. Remember, very few inmates are granted parole.

Once you are released to parole you must abide by all the stipulations and requirements placed upon you. Failure to do so exactly is like asking to be sent pack to prison. Should that occur, the chances of receiving parole again are greatly diminished.

**Please be advised that I will be destroying your file in the near future. I do this because of the very personal information contained in your file. This information does not need to be discoverable by any outside agency or individual.**

Thank you for allowing me the opportunity to assist you. I wish you the very best of luck. If I can be of any further assistance to you or should you have any questions, please do not hesitate to contact me.

Sincerely,

**JAMES RANDALL SMITH**
